The accommodation is arranged over split levels and includes to the ground floor, an entrance hall with WC, large bedroom with dressing area, sliding doors to a rear patio, and en-suite shower room, as well as a further double bedroom which is currently used as a study. Steps lead from the entrance hall to the lower ground floor where there is access to the integral double garage, a utility room, and a large double bedroom with access to the rear garden as well as a shower room and sauna.

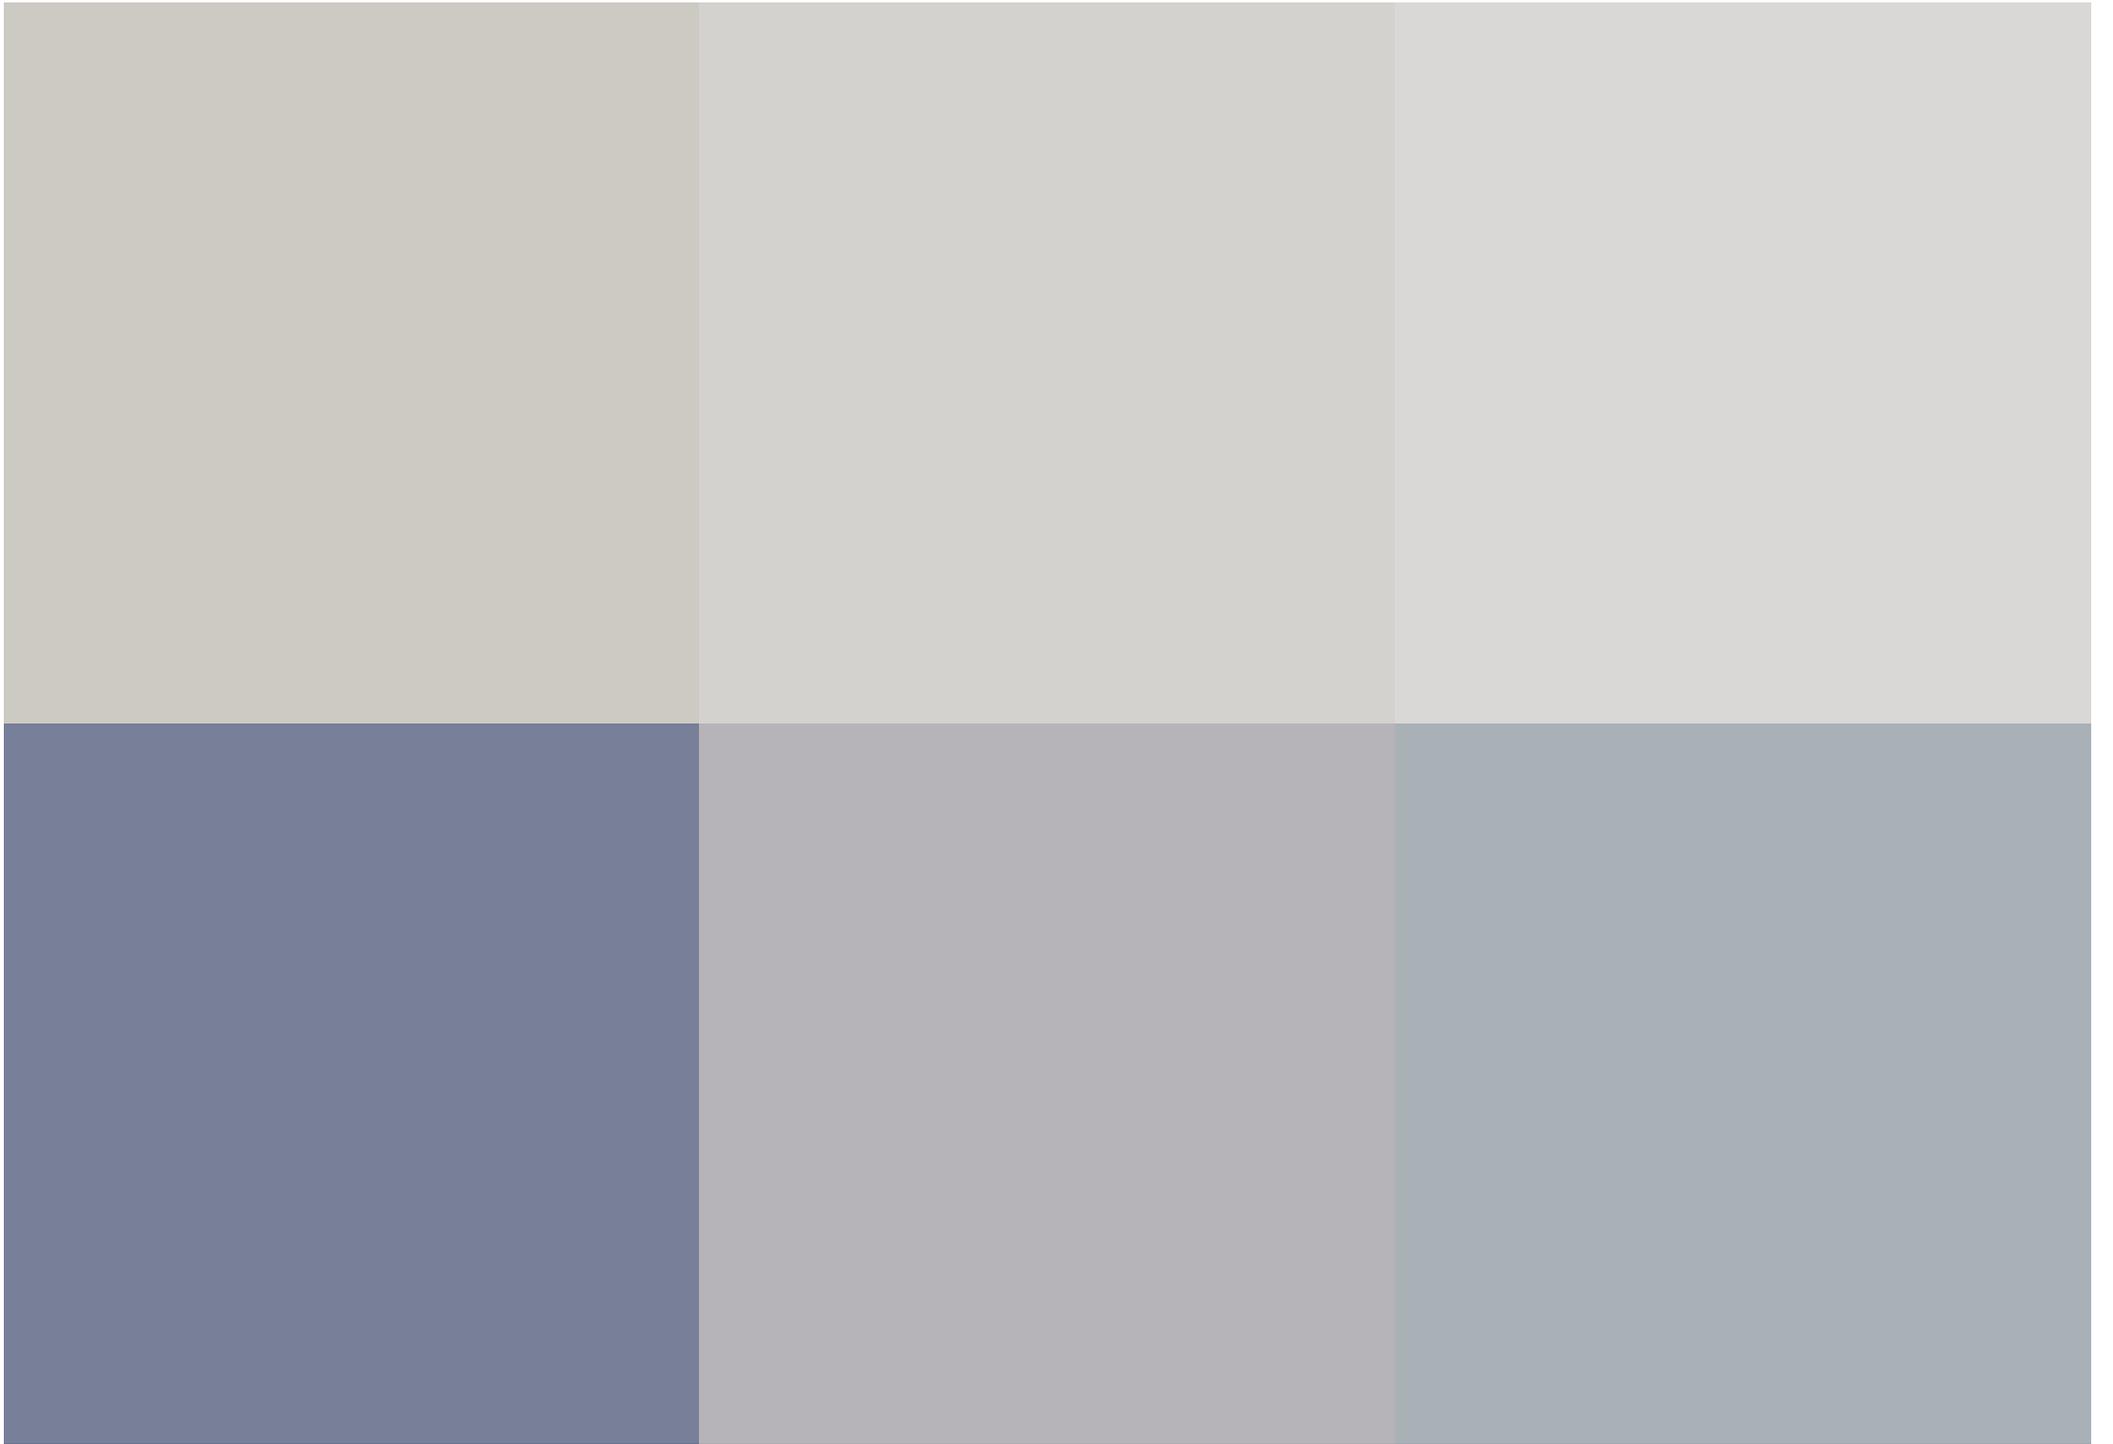

Stairs to the first floor lead to the dining room with galleried landing area with a full height window, a bright dining kitchen and large sitting room with glazed sliding doors providing access to a sun room with pleasant views into the mature gardens and access to a decked rear terrace.

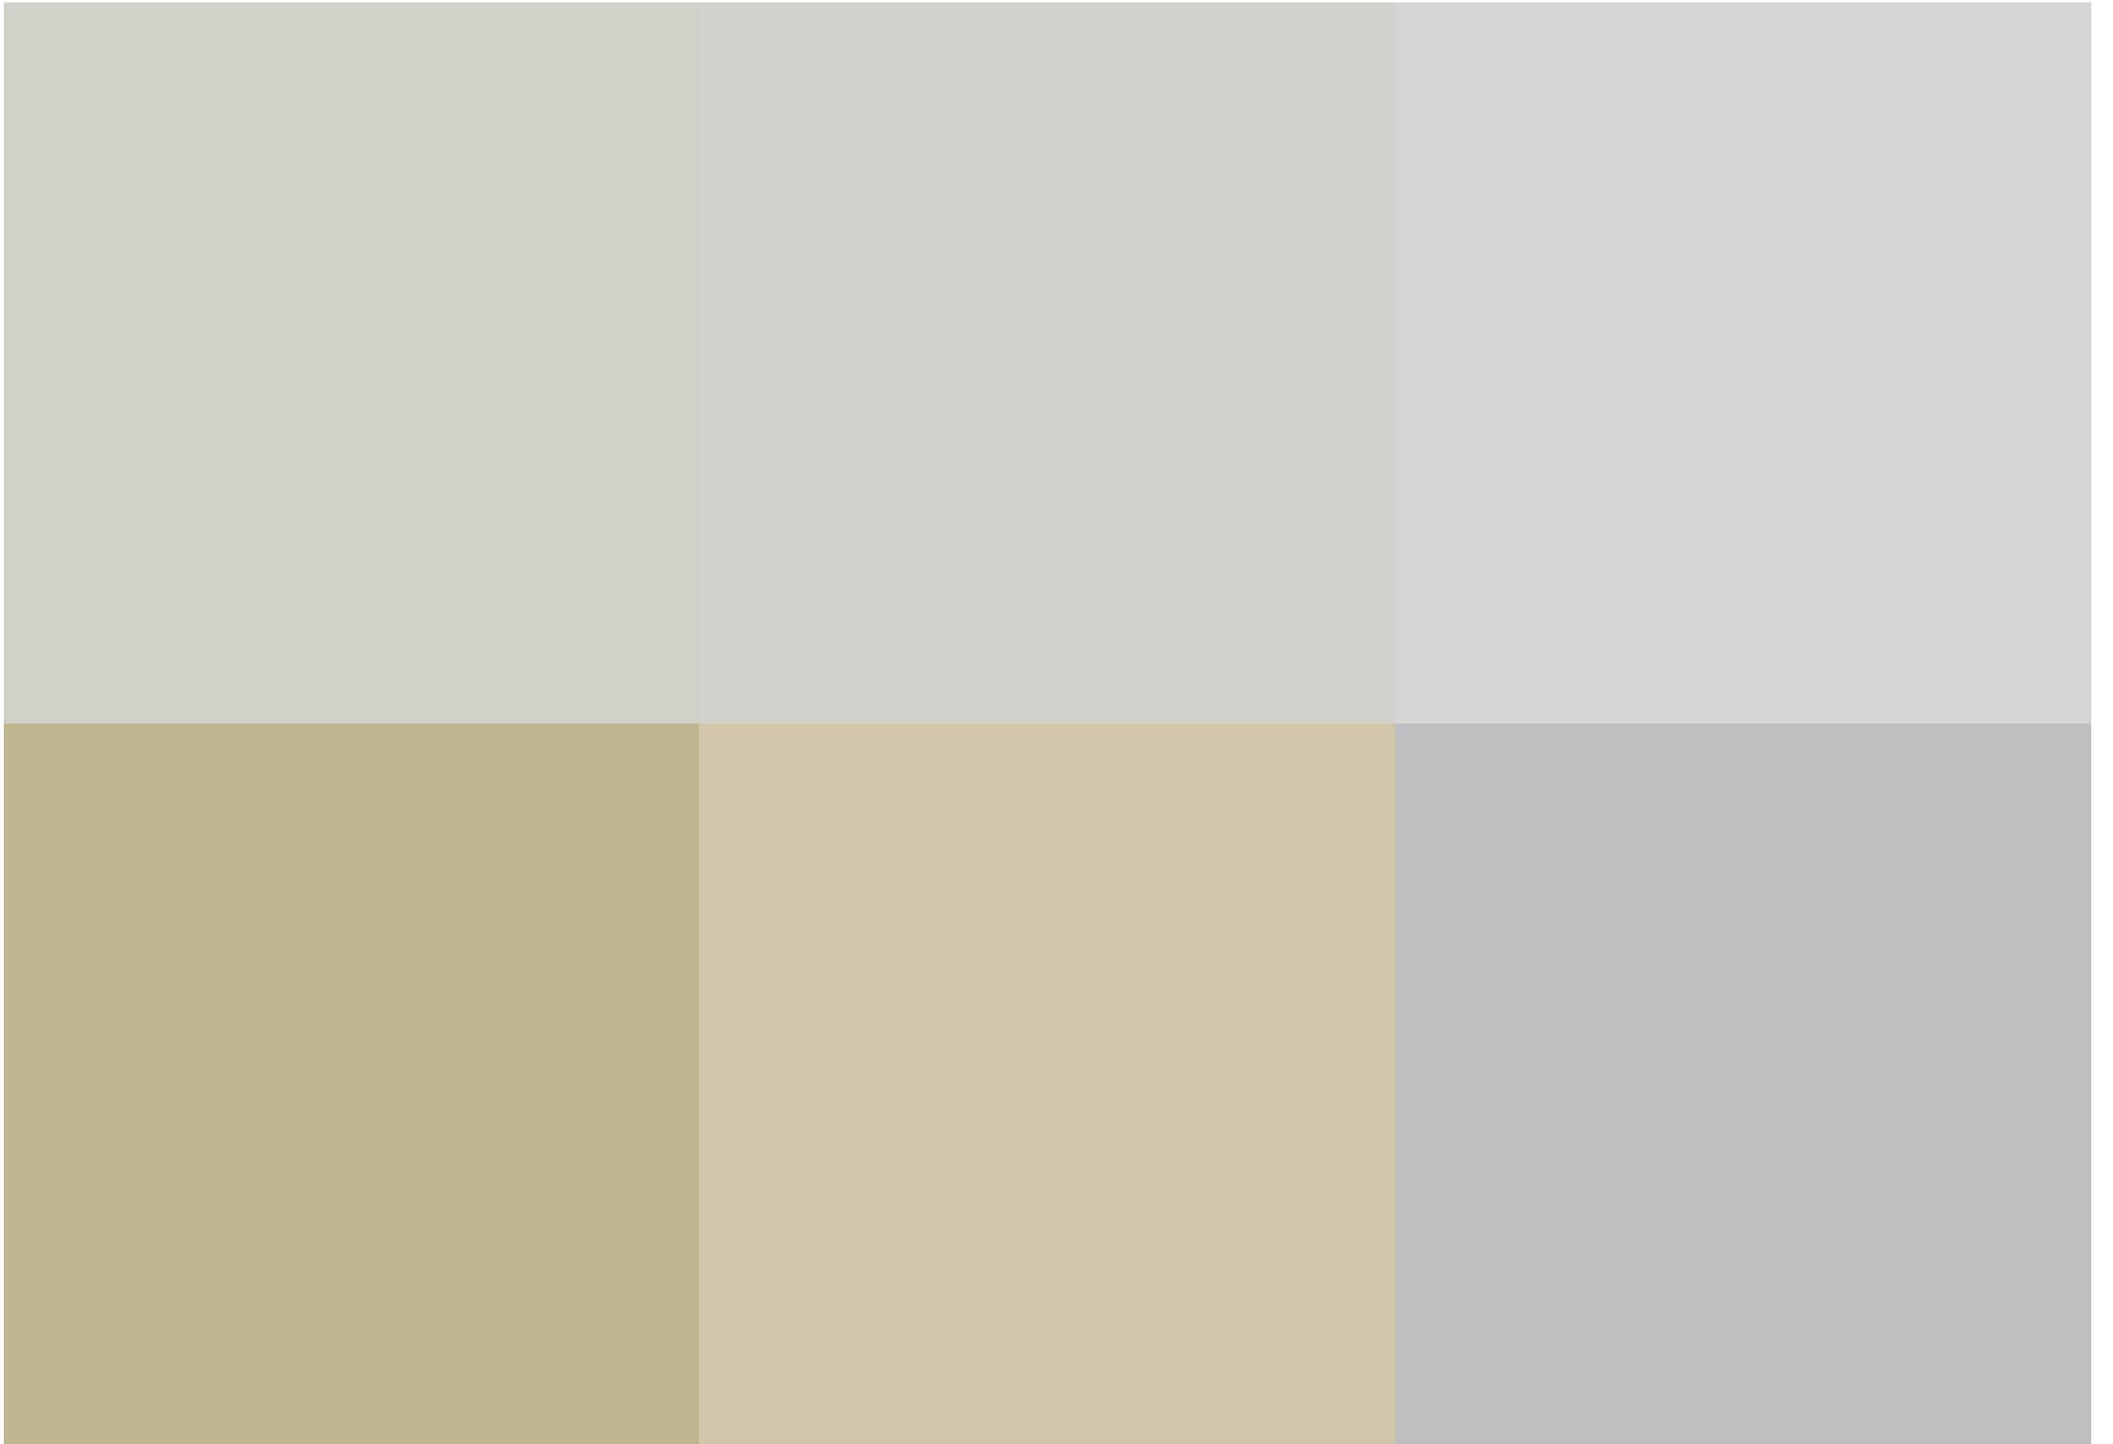

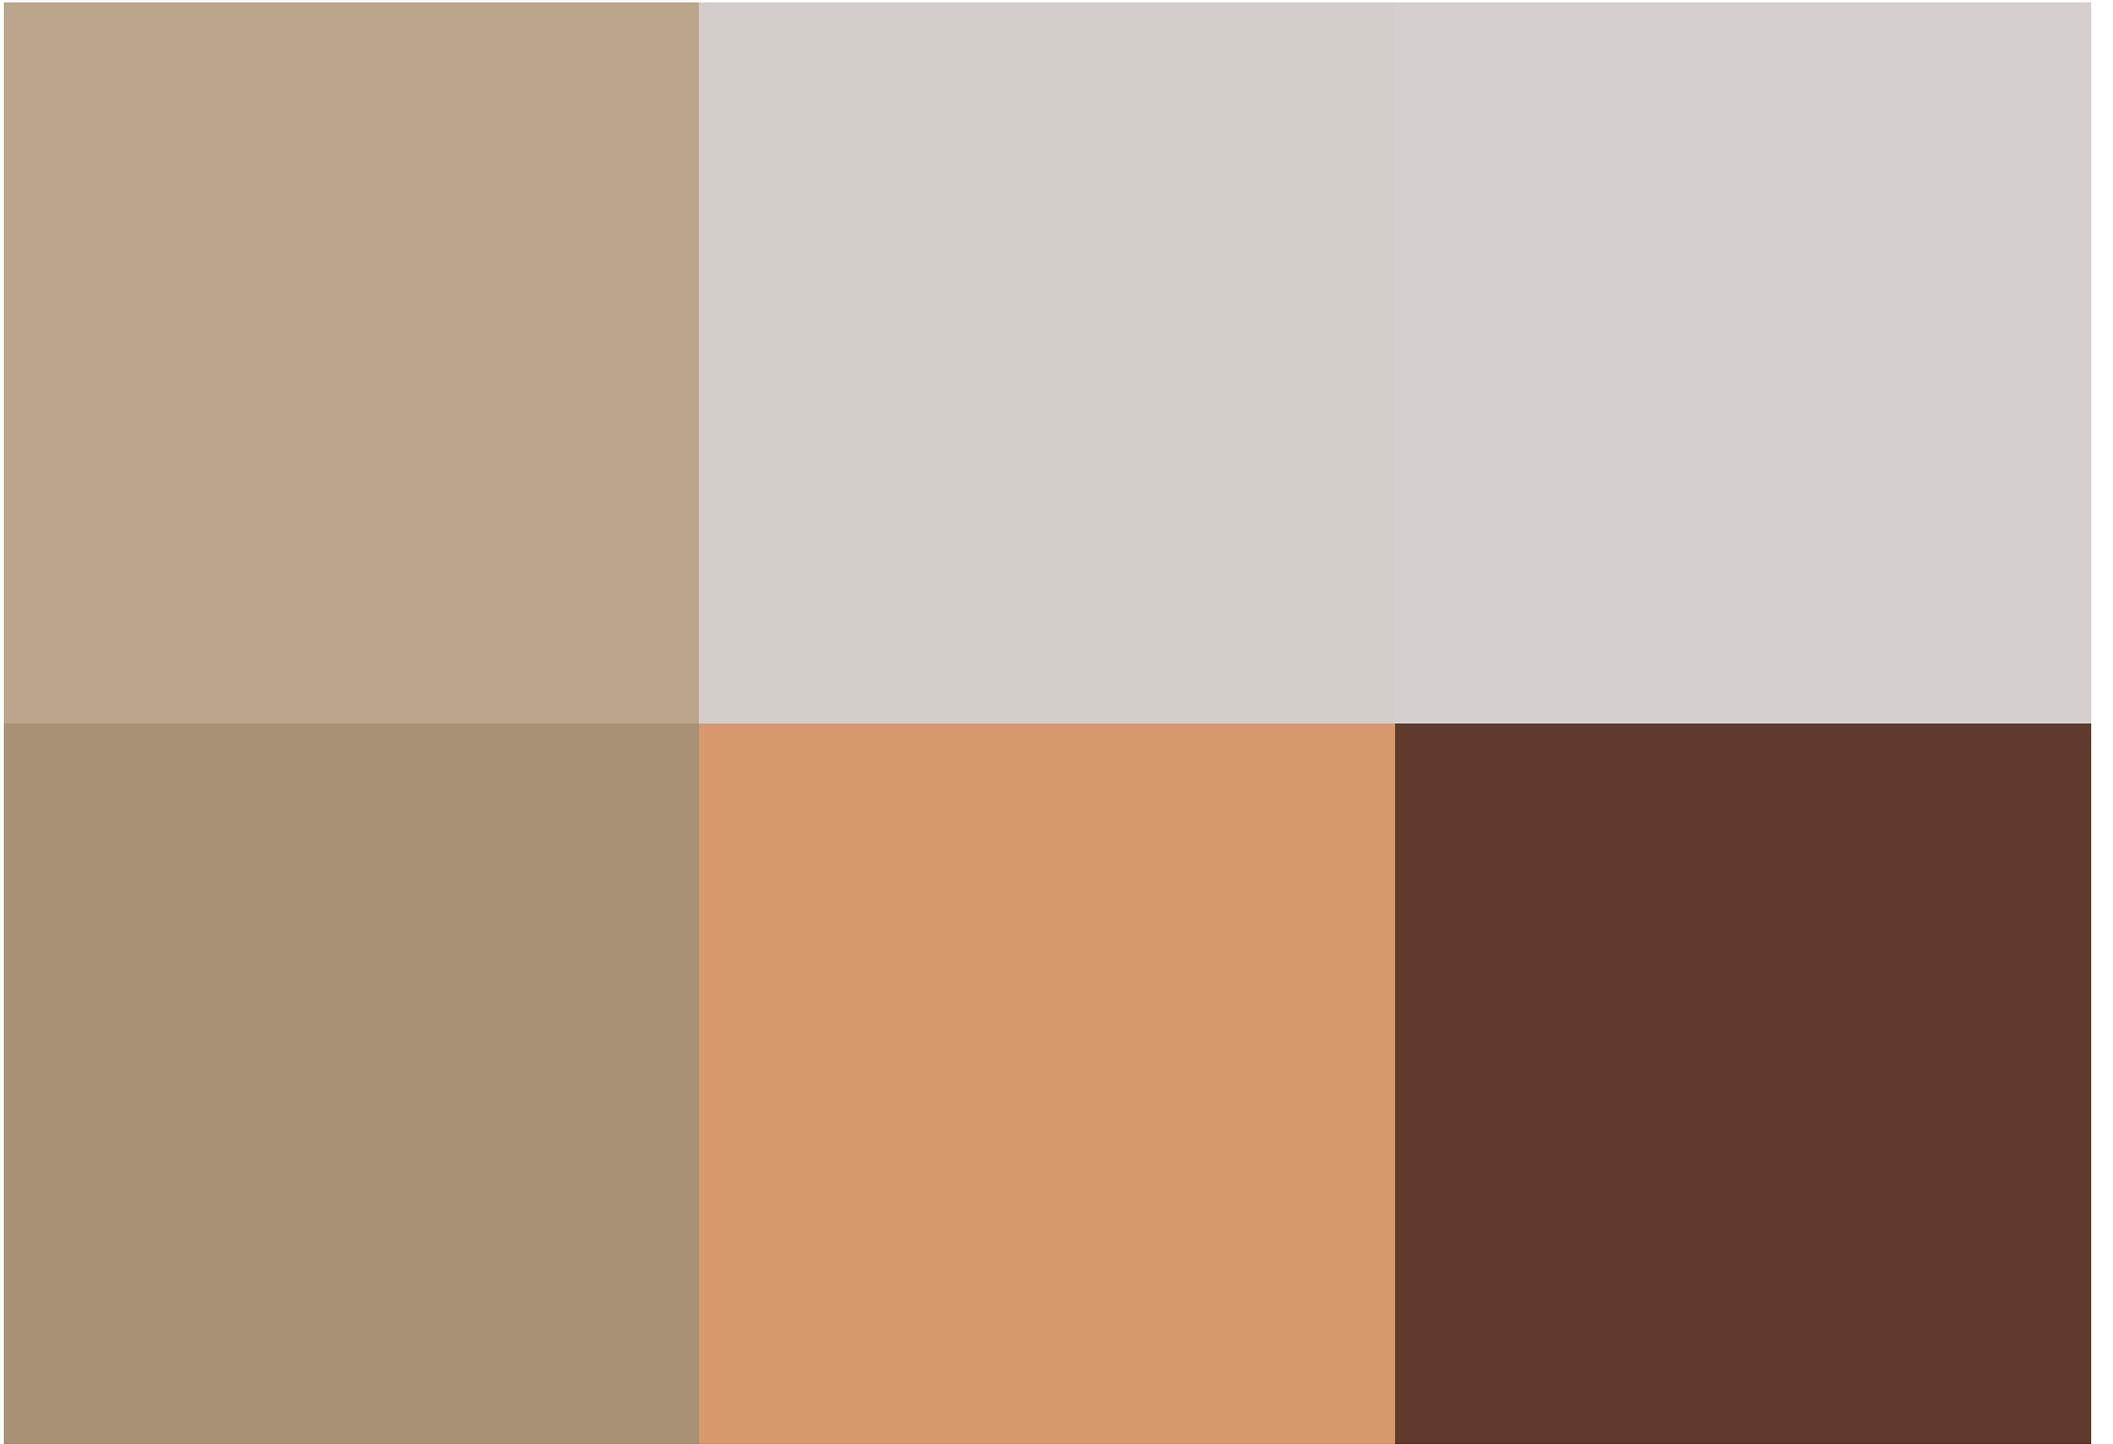

Steps from the galleried landing area lead to the second floor where there are a further two double bedrooms, one of which is currently used as a snug, a single bedroom and modern house bathroom. Accessed from the outside, a staircase leads to a fabulous self-contained space with ensuite shower room which provides fantastic ancillary/annexe accommodation or perhaps a home office.

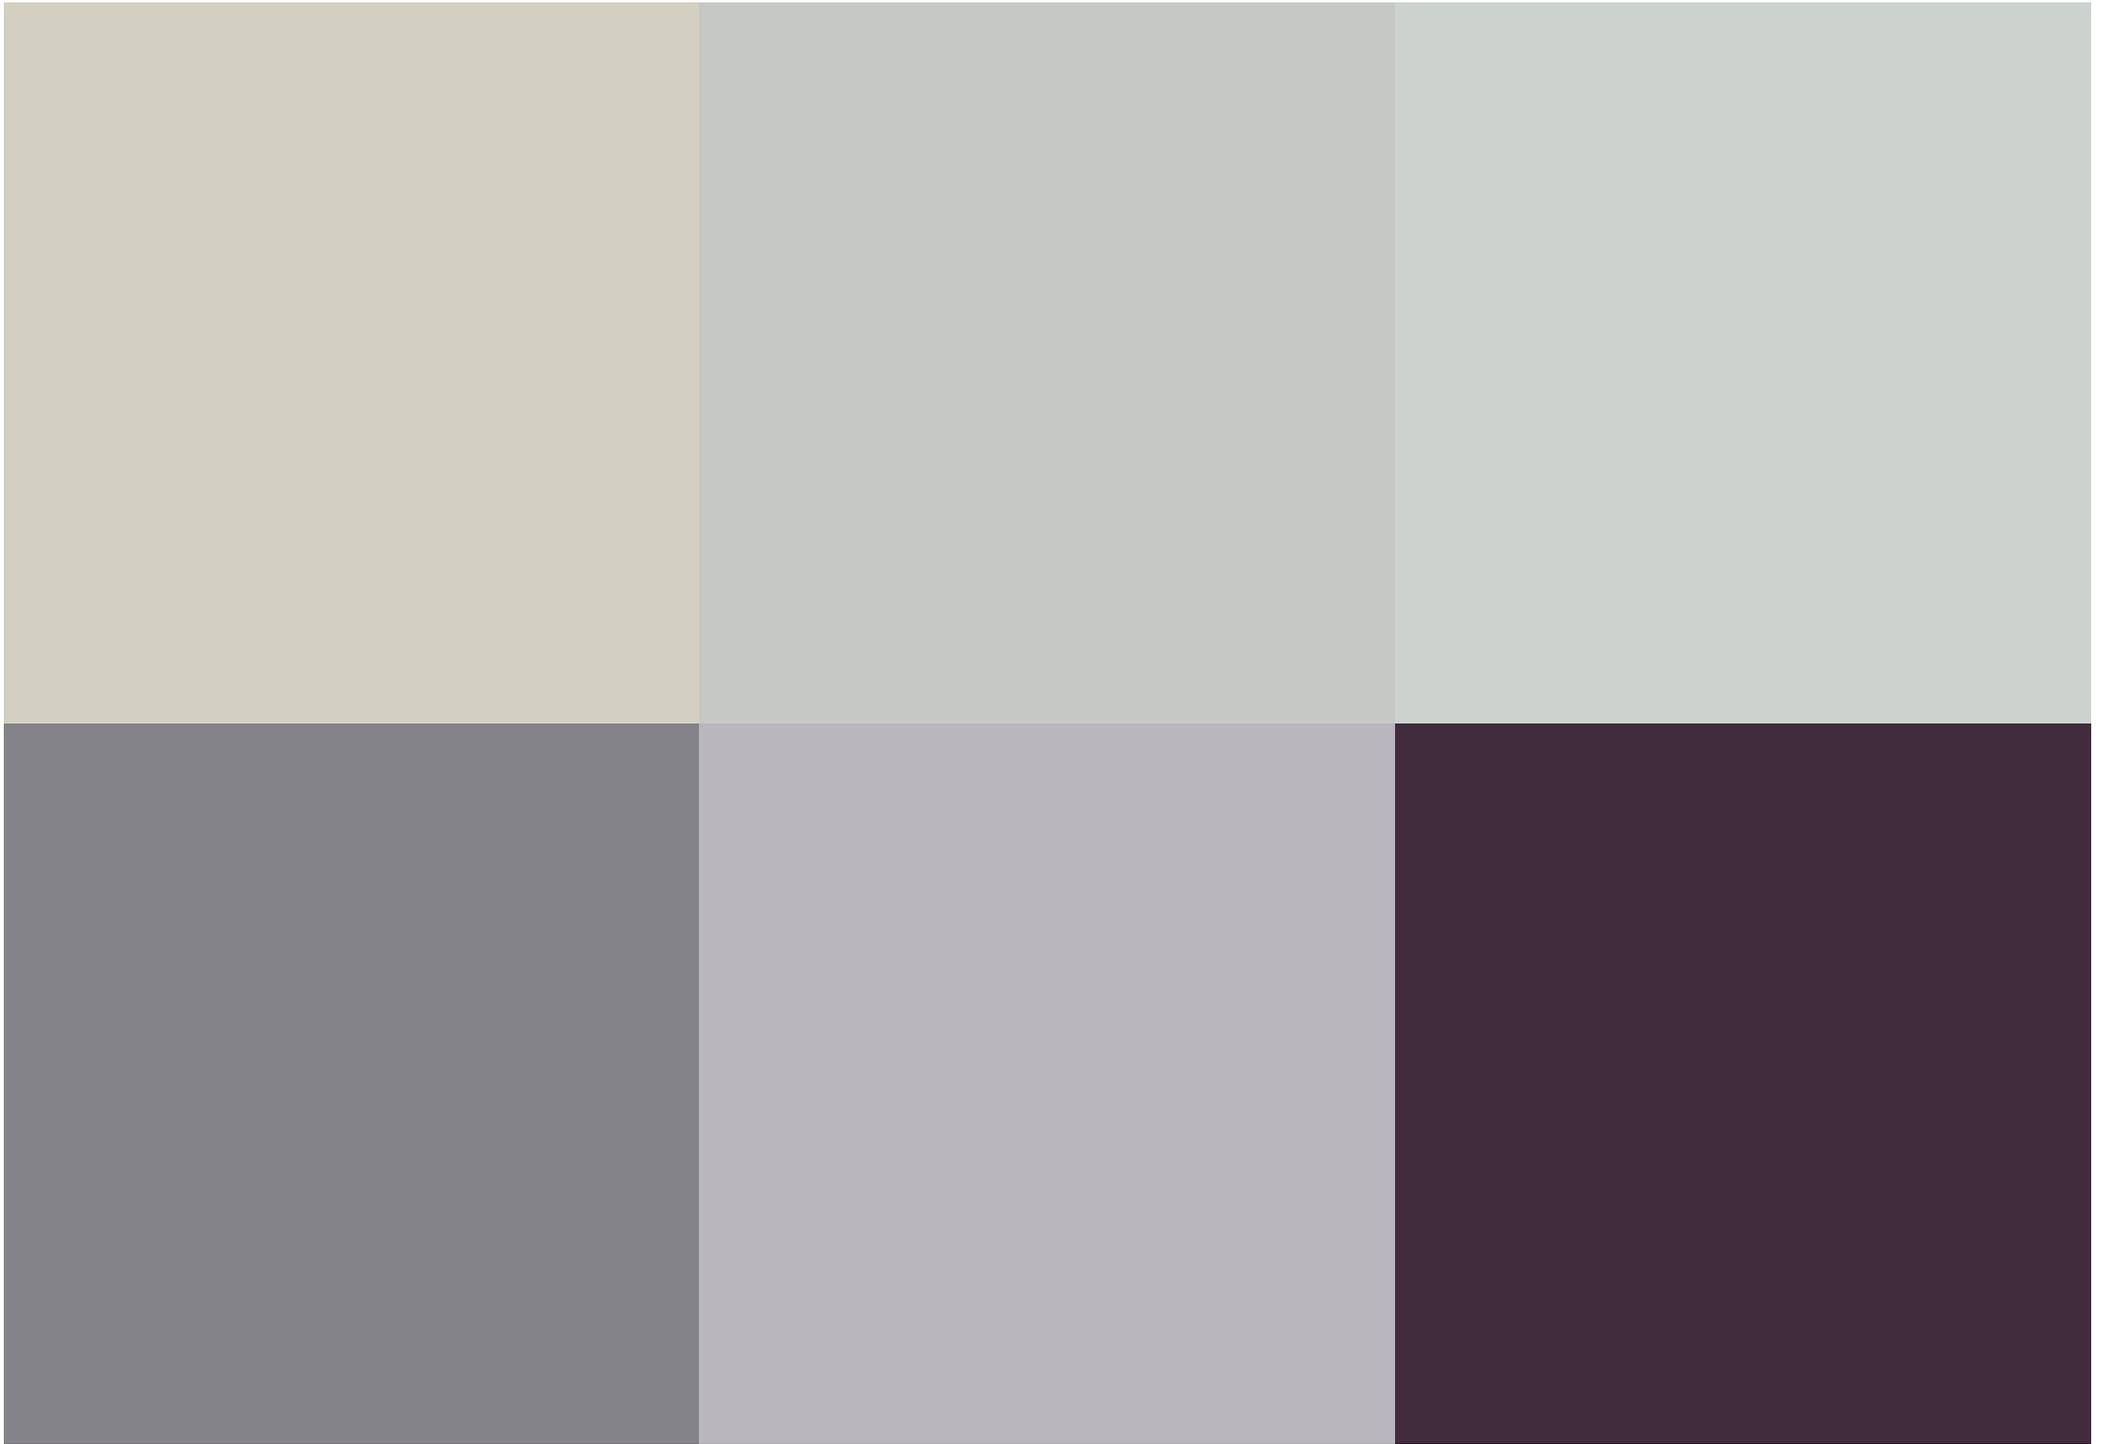

To the outside, the property has driveway parking and access to the double garage whilst mature gardens and various seating areas wrap around the property with the unusual advantage of having private access to Ilkley Moor.

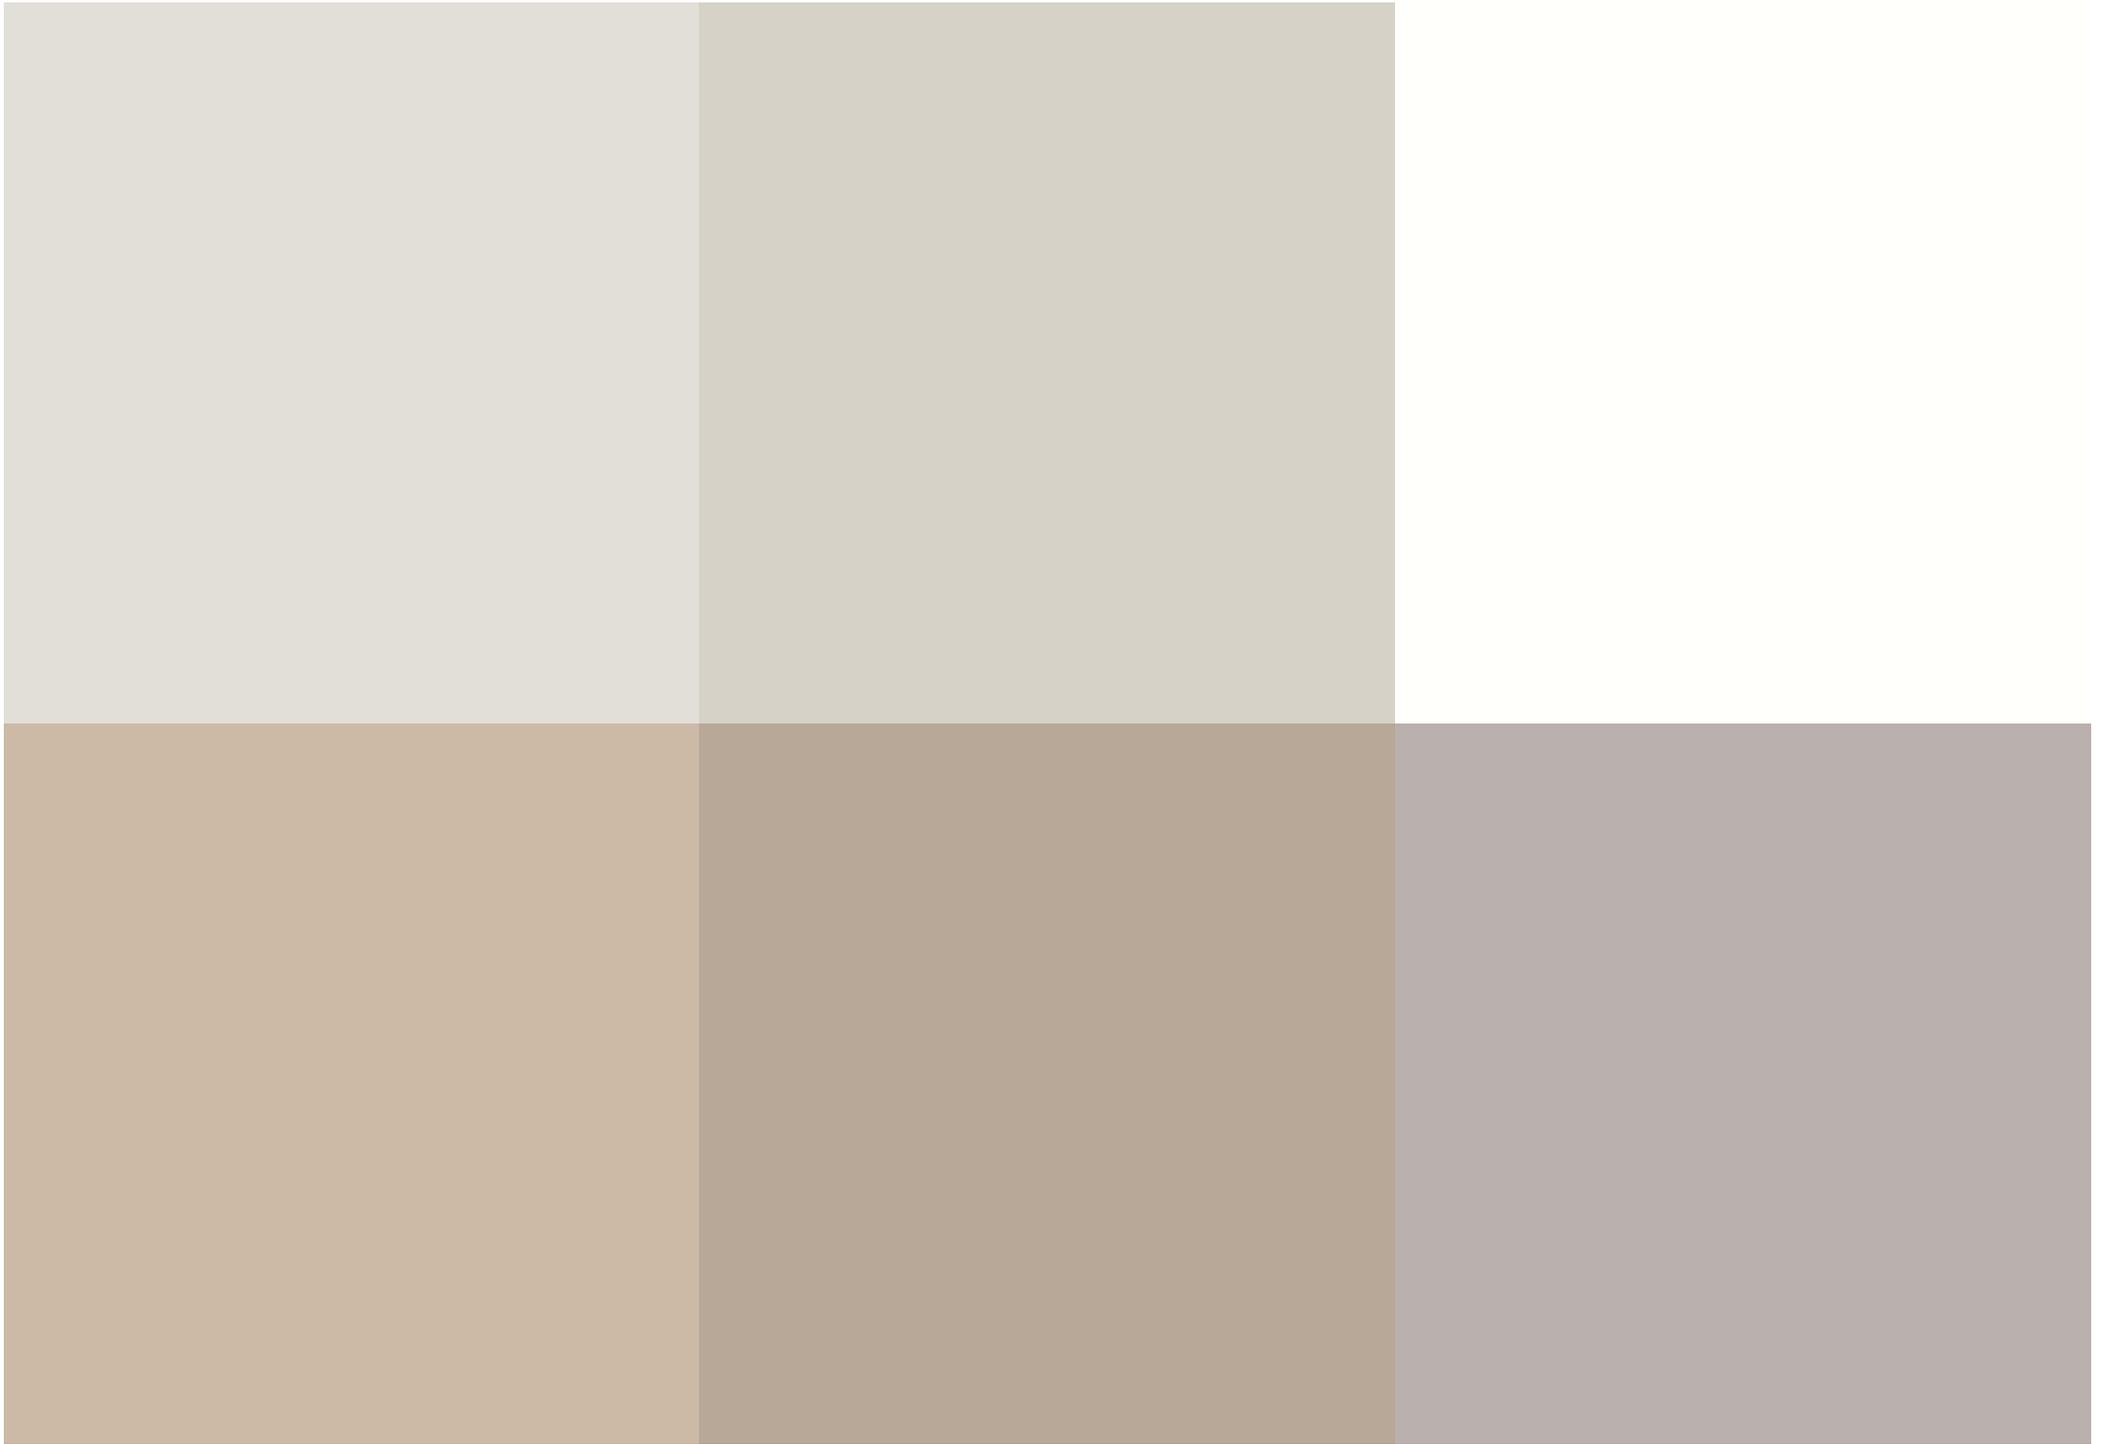

The former Victorian spa town of Ilkley enjoys a highly desirable setting in the heart of Wharfedale – a location which provides ready access to some of the region's finest open countryside whilst being within comfortable daily travelling distance of business centres as far apart as Leeds, Bradford and Harrogate. The town is well known for its first class shopping and also has comprehensive social and recreational amenities, a broad choice of sports clubs and a highly regarded schooling system, although there is also private schooling for children of all ages within comfortable daily travelling distance. A central railway station provides frequent services throughout the day into the local cities of Leeds and Bradford, whilst for those who need to travel further afield Leeds Bradford International Airport is just some 11 miles distant.
