Hunters are delighted to bring to the market this well-presented four-bedroom semi-detached chalet bungalow, ideally situated just a half-mile walk from Burgess Hill's vibrant town centre.

St Peters Road enjoys a highly convenient location within easy reach of both mainline railway stations, Wivelsfield and Burgess Hill, providing excellent transport links to London, Brighton and the South Coast. A Lidl supermarket with in-store bakery is close by, while Burgess Hill town centre offers a wide range of shops, restaurants, cafés and bars, including a Waitrose supermarket.

To the front of the property there is a spacious driveway providing off-road parking for two vehicles, with additional on-street parking available. A generous side access with double gates leads to the rear garden, offering further secure parking if required.

Upon entering the property, you are welcomed by a spacious hallway. To the right are two well-proportioned double bedrooms, both featuring attractive bay windows overlooking the front of the property. The second bedroom benefits from built-in furniture, with ample additional space for freestanding furnishings.

The ground floor also comprises a family bathroom fitted with a walk-in shower, WC and wash hand basin.

To the rear of the property is an impressive 26ft living/dining room with sliding glass doors opening onto the garden, creating an ideal space for entertaining and family living. The kitchen is accessible from both the hallway and the living area and offers a range of fitted units, an integrated fridge/freezer and space for a washing machine, dishwasher and dryer, along with a built-in oven and gas hob.

The first floor offers a further double bedroom with dual aspect windows, allowing for plenty of natural light, as well as access to useful eaves storage. The fourth bedroom is a single room, also benefiting from eaves storage. A separate WC completes the first-floor accommodation.

Externally, the rear garden features a level lawn and a brick-paved patio area, ideal for outdoor dining and entertaining during the warmer months. The garage is larger than a standard single garage, incorporating a useful work space area to the rear along with additional roof storage. It can be accessed via both side and front doors.

Offered to the market with no onward chain, early viewing is highly recommended.
