General remarks

The Rafters is one of the most substantial and imaginatively designed converted barns offered for sale in Otley over recent years. It has a wonderful blend of the contemporary and traditional with the majority of the accommodation on the ground floor. There is further scope for reconfiguration and extension subject to the necessary consents.

As the photographs show, the living space is appointed and finished to an exceptional standard, and benefits from mains electricity, water and drainage with gas central heating and double glazing. It is approached by a central hallway leading to a substantial family kitchen, which in turn leads to a large games room and a lounge with stunning views over the town's rooftops the Wharfe valley. There is a ground floor bedroom with ensuite and two further bedrooms. A small flight of stairs leads to the master bedroom having an ensuite and walk-in wardrobe with stairs leading to a delightful galleried mezzanine. There is further scope for extension into a semi converted integral 'barn' area subject to the necessary consents.

The property forms part of a courtyard development and has parking facilities to the front whilst to rear are reconfigured gardens with lawns and a sitting out area to enjoying the stunning views, whilst steps lead down to a play area and approximately 0.75 acres of pastureland leading to the road.

The Rafters is strategically placed close to Otley Chevin and Otley centre with Menston village and railway station close by, plus the facilities in Guiseley a little further afield. Both primary and secondary schooling in the area are highly regarded and the West and North Yorkshire conurbations of Leeds, Bradford and Harrogate are readily accessible. The property is also conveniently placed for international travel with Leeds/Bradford International Airport sitting at nearby Yeadon.
