### General Remarks

Forming part of this most appealing modern development of just six detached homes built by Woolers in 2015, this most attractive stone-built family home provides versatile accommodation planned over three levels and set within a large corner plot position affording the property with excellent outside space and a good degree of privacy.

The accommodation in brief includes to the ground floor, a light and welcoming central entrance hall with open staircase to the upper floors and giving access to: a useful cloakroom/WC; a spacious through sitting room with feature fireplace with wood burning stove and French doors to the rear patio and gardens beyond; and a modern, open plan dining kitchen with French doors to the rear and a large central island. To the first floor there are two good-sized double bedrooms both with ensuite shower rooms and built-in storage cupboards, as well as a modern house bathroom with separate shower, and a further double bedroom. To the upper floor are two further double bedrooms, both with eaves storage, and a shared shower room.

To the outside, enclosed family-friendly gardens including lawn, paved seating area and mature trees and hedging, wrap around the property, and there is a very useful storage cellar which is accessed externally. Off street driveway parking and a single garage can be found to the rear, accessed from Lower Constable Road.

28A Clifton Road is conveniently positioned, with the amenities of Ben Rhydding and Ilkley both readily accessible. Ben Rhydding is very much a community in its own right, being found a mile or so to the east of central Ilkley and offering everyday amenities including local shops, a primary school, churches of a number of denominations and a 'metro' railway station from where there are frequent links into central Ilkley and regular commuter services into the cities of Leeds and Bradford. Numerous footpaths lead from Ben Rhydding up onto the famous Ilkley Moor – offering many an opportunity for breathtaking walks and mountain biking, whilst the Yorkshire Dales National Park is only some six miles distant.

The former Victorian spa town of Ilkley occupies a beautiful setting in the heart of Wharfedale, the town centre boasting an excellent choice of shops along with a bustling social environment and local medical facilities. The town's grammar school provides highly regarded secondary schooling which is within comfortable walking distance of Clifton Road, and there are numerous sports clubs along with the town's famous Lido. The community forms an excellent base for those looking to travel into business centres as far apart as the West Yorkshire conurbations, Harrogate and East Lancashire, and Leeds Bradford International Airport is just some 10 miles away.
