### General Remarks

Ryedale Park is an exclusive development of only four homes tucked away in this private location yet close to the many amenities the town centre has to offer. Viewing is highly recommended to fully appreciate the extent of the accommodation on offer which features particularly spacious reception spaces and bedroom accommodation, all set within private grounds.

The accommodation in brief includes to the ground floor: an entrance vestibule, opening into a particularly impressive entrance reception room with open staircase to the upper floor, and double doors to the rear garden; a modern specification living dining kitchen with glazed sunroom area; a good sized sitting room with wood burning stove and double doors to the front of the property; a further reception room ideal for use as a play room or office; as well as a utility room and WC.

To the second floor, the landing opens up onto a large open area which could lend itself well to further living/reception space, a teenage play area or perhaps a study landing. There are three good-sized double bedrooms – two of which with ensuite facilities, as well as a further bedroom and modern house bathroom with bath and separate shower.

To the outside of the property, generous driveway parking gives access to a double garage to the front, whilst to the rear there is a very pleasant garden featuring paved terrace with steps down to the lawn, enclosed by mature planting.

The former Victorian spa town of Ilkley enjoys a highly desirable setting in the heart of Wharfedale – a location which provides ready access to some of the region's finest open countryside whilst being within comfortable daily travelling distance of business centres as far apart as Leeds, Bradford and Harrogate.

The town is well known for its first-class shopping and also has comprehensive social and recreational amenities, a broad choice of sports clubs and a highly regarded schooling system, although there is also private schooling for children of all ages within comfortable daily travelling distance. A central railway station provides frequent services throughout the day into the local cities of Leeds and Bradford, whilst for those who need to travel further afield Leeds Bradford International Airport is just some 11 miles distant.
